

On St. David's Day

Verse

Fly the flag, sing along
And celebrate St. David all day long
A harpist plays, a choir sings
It's the smile on the face that feast day brings

Wear your leeks and your daffs
And your costumes with pride
So let's all cheer the reds on side by side
From the valleys to the coast to the mountains high
Let us all come together, to celebrate our great Nation's pride

Chorus

Wales is the Land of Song
Sing together, loud and strong
Our hiraeth lets us lead the way
On St. David's Day
